<sup>1</sup> Our team will configure your website and assist to upload your first set of pages.

<sup>2</sup> Our production servers are located in Toronto, Canada.

<sup>3</sup> Our team will assist you with your domain setup. Domain fees are the responsibility of the club.

<sup>4</sup> Access will be available to the online help centre, email and scheduled phone support.

<sup>5</sup> Ongoing platform updates and features will be available to all users.

<sup>6</sup> Access to available BGCC website themes.

<sup>7</sup> Easily create attractive page layouts using the intuitive page builder and pre-built templates. Update and upload media, documents, photos and content for your users.

<sup>8</sup> Our team can work with your Club to embed or link to your donation platform or to the BGCC National Platform.

<sup>9</sup> Our Starter Search allows users to search site content on pages and posts. Our Plus Search lets users search documents and additional media that has been uploaded.

<sup>10</sup> Capture opt in emails for campaigns. Our team can assist to integrate with popular campaign tools (Mailchimp, Campaign Monitor and more).

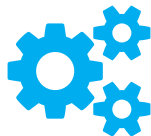

<sup>11</sup> Update to date dynamic map view of all BGCC clubs across Canada. Searchable via postal code.

<sup>12</sup> Leverage national BGCC content.

## All packages always include:
