¹ Our team will configure your website and assist to upload your first set of pages.

² Our production servers are located in Toronto, Canada.

³ Our team will assist you with your domain setup. Domain fees are the responsibility of the club.

⁴ Access will be available to the online help centre, email and scheduled phone support.

⁵ Ongoing platform updates and features will be available to all users.

⁶ Access to available BGC Canada website themes.

⁷ Easily create attractive page layouts using the intuitive page builder and pre-built templates. Update and upload media, documents, photos and content for your users.

⁸ Our team can work with your Club to embed or link to your donation platform or to the BGC Canada National Platform.

⁹ Our Starter Search allows users to search site content on pages and posts. Our Plus Search lets users search documents and additional media that has been uploaded.

¹⁰ Capture opt in emails for campaigns. Our team can assist to integrate with popular campaign tools (Mailchimp, Campaign Monitor and more).

¹¹ Update to date dynamic map view of all BGC clubs across Canada. Searchable via postal code.

¹² Leverage national BGC Canada content.

All packages always include:

Google Analytics

Google My Business Setup

Domain Setup

Free Hosting and Backups

Premium Support

Ready to give your BGC Canada website a refresh?

Reach out to us and we'll take care of the rest. Call 416.607.7290 ext. 1 or email support@webbgc.ca. We're looking forward to assisting you.
